Hospitality Industry Initiative

Dedicated industry support to help your business succeed.

A thriving Hospitality industry is essential to San Francisco's economic health — that's why OEWD's Hospitality Industry Initiative is dedicated to supporting and growing businesses in this important sector.

The Hospitality Industry Initiative is your one-stop business assistance resource. A dedicated Industry Specialist serves as your single point of contact, coordinating services to meet your needs.

Business services include:

City Liaison: Specialized assistance in navigating city government

Incentives: Access to local, state and federal tax credits, business expense deductions, energy-efficiency programs, and tax rebate programs

Workforce Services: Employee recruitment, subsidized job training for new hires and skills upgrading, employee bonding and retention services

Real Estate: Site selection, relocation and expansion support

International Business Development: Access to an extensive network of business resources and referrals

From cost-saving incentives to permit assistance to workforce training, we have dozens of programs and services to help your business prosper. To get the answers you need, contact the Hospitality Industry Specialist: 415-554-6648.
